**(correspondence form)**

*Dear colleagues!*

*Center for Strategic Analysis and International Studies of western Ukrainian National University (Ukraine) invites You to take part in the International Interdisciplinary Scientific Conference of Young Scientists "Ukraine in the international arena: historical lessons, present and prospects", to be held on March 18, 2021 (in correspondence form).*

*⊕ Thematic directions of the conference*

- 1. Ukrainian lands and the genesis of international relations: a look through the ages.*
- 2. Modern processes of transformation of the system of international relations and international security: national, regional, global dimensions.*
- 3. Ukraine in the realities of international relations of the late XXth – first quarter of the XXI century.*
- 4. The assertion of the statehood of Ukraine in the system of bilateral relations with foreign partners.*
- 5. Ukraine in the system of international organizations: political, economic, legal, humanitarian dimensions.*

*⊕ Working languages: Ukrainian, English, Polish, Slovak, Russian.*

*⊕ Category of participants: applicants for higher education at the bachelor's level (with mandatory indication of the supervisor and his review); undergraduates; graduate students and young scientists.*

*⊕ To participate in the conference you need to send by March 15, 2021 (inclusive) in electronic form (in separate files):*

*✓ application for participation (form see below);*

*✓ article.*

*⊕ No payment*

### ⊕ *Publication of conference materials and receiving them*

- At the end of the conference (by the end of March) each participant will be sent by mail to the address specified in the application a collection of materials and a certificate of participation.
- For the general public, the conference materials will be posted on the website of the electronic repository of the Western Ukrainian National University (<http://dspace.wunu.edu.ua/>) and on the website of the Center for Strategic Analysis and International Studies ([www.facebook.com/center.tneu/](http://www.facebook.com/center.tneu/)).

### ⊕ *Additional publication opportunities*

- Conference participants (undergraduates (co-authored with a supervisor), graduate students and researchers with a degree) have the opportunity to publish a detailed version of their report in the format of a scientific article in a professional publication in law «Actual problems of law» (Indexed in Index Copernicus), number 2/2021.
- Terms of publication of the article are provided separately and described in detail on the website of the publication [app.wunu.edu.ua](http://app.wunu.edu.ua)

### ⊕ *Sample of the application*

**Application for participation  
at the *International Interdisciplinary Scientific Conference of Young Scientists "Ukraine in the international arena: historical lessons, present and prospects" (March 18, 2021)***

Name \_\_\_\_\_

Surname \_\_\_\_\_

Place of work (or study) \_\_\_\_\_

Degree, academic title (if any) \_\_\_\_\_

Topic of the report \_\_\_\_\_

Thematic direction (specify number) \_\_\_\_\_

#### **Contact coordinates:**

Index \_\_\_\_\_ Full address (where to send the collection)

Phone: \_\_\_\_\_

E-mail address \_\_\_\_\_
